## SONAL TULI

Wrapped in pleasant surprises for the forthcoming festivities, this lounge crafted by Sonal Tuli of Within embraces luxury with cheer. Bringing a unique dimension to quintessential lavishness, an underlying cultural ethos comes alive with antiques and artefacts. Come, fall in love with the centrepiece Streets of India console! Finished in marble, it is composed of diverse patterns accentuated by art pieces depicting the phases of the moon, part of an art work series by Within called Mahnoor. The legacy continues, with the supporting cast of this blockbuster space—namely the carpet, cushions, the coffee table, a pair of Indian antique angels and an assemblage of adornments.
