WITHIN DESIGNS

Contemporary yet culturally rich; luxurious yet cheerful; timeless yet dramatic – Within Designs, the Delhi-based multidisciplinary studio, is anything but ordinary. Born in 2015 as the brainchild of Sonal and Bobbi Tuli, the studio’s vision is to craft bespoke interiors, soft furnishings, and decorative objects that echo an unforgettable experience. The duo explains, “Design is all about the art of storytelling, and we strive to weave narratives while bringing them to life with passion.”

From sketch to reality, their intricate design language seamlessly blends varied texture palettes, rich exotic hues, and plush finishes. Showcased at their New

Delhi store, the products encapsulate an innovative aesthetic sensibility, unparalleled craftsmanship, and quality. Within Designs’ eclectic products include an enticing variety of wallpapers, drapes and linen, carpets, fine furniture, decorative lighting, art, and home adornments.

“Tables are undeniably our hallmark products – right from our exquisite side, end, and console tables to our coffee and dining tables that embody pure sophistication with warmth. Our bestsellers additionally comprise of our ‘Streets of India’ and ‘Sanctum’ collection,” they say. We are big fans of their Noble Arch collection the Noble Arch collection, which marries stone inlay with wicker weave and metal. Imbibing a modern confluence of form and function with a kaleidoscope of experiences, the duo consistently endeavours to create stunning spaces and products of vivid brilliance, adopting the underlying and magical essence of traditional India with a twist. ♦ within.net.in
